-- The MAILING DATE of this communication appears on the cover sheet with the correspondence address --

1. ☒ The amendment filed on 18 March 2005 under 37 CFR 1.312 has been considered, and has been:

a) ☐ entered.

b) ☒ entered as directed to matters of form not affecting the scope of the invention.

c) ☐ disapproved because the amendment was filed after the payment of the issue fee.

Any amendment filed after the date the issue fee is paid must be accompanied by a petition under 37 CFR 1.313(c)(1) and the required fee to withdraw the application from issue.

d) ☐ disapproved. See explanation below.

e) ☐ entered in part. See explanation below.

Note that there appears to be a discrepancy between the interview dates in the examiner record and that in the applicants' representative record (see page 5, the 3rd paragraph).

Also, note that Examiner has acknowledged the applicants' comment on the filing date of applicants' amendment (12/6/04). Applicants state that the correct filing date of Applicant's amendment is 11/30/04 not 12/6/04 (see page 5, the 2nd paragraph). The applicants' statement is found to be incorrect because the certificate of mailing (mailed 11/30/04) is NOT considered to be the date of paper identified by USPTO, while the date (i.e., 6 December 2004) of mailed room receiving the paper is the filing date for the paper (here, the paper is the applicants' amendment after non-final rejection). Thus, 11/30/04 is not the filing date of the Applicant's amendment thereof.
